Position Available

MAINTENANCE AIDE (SEASONAL)

Palomar Mountain State Park currently has openings available for Maintenance Park Aides. The "Seasonal" nature of this job means they are limited to 1500 hours per calendar year. The position accrues vacation leave, sick leave and has a deferred compensation savings plan. Maintenance experience is necessary however, ongoing training will be provided. Pay ranges from \$10.28 to \$12.02 an hour.

Maintenance Aides provide excellent visitor experience by performing high quality custodial, grounds keeping, and semi-skilled maintenance work. Qualified candidates must be able to follow simple directions, work cooperatively with others, and be willing to accept the benefits of being trained on the job.

Driving light vehicles is a requirement and candidates must possess a valid driver's license. The ability to perform sustained physical work, use appropriate tools, supplies and equipment are also desirable qualities.

Rich in natural beauty and cultural heritage, Palomar Mountain State Park is a living legacy that's been preserved and passed down for all Californians to enjoy. Why not consider being a part of this legacy, and help people discover it, enjoy it and make it a part of their lives?
